Vikings!

Explore our exciting Viking past today.

Far from being just an academic experience today, the heart of a real farm, Underhill built to impress visitors from the sea and to bring people to the edge of the sea. A festival which showcases traditional Viking culture and life at Sandwick, wainskot, a Viking farm community. There are over 300 longhouses in the Viking-style village of Underhill. At Boatstack you can take a Viking longhouse replica, based on the excavation results, and the replica Viking longship, Gokstad.
